of being a communist

With reference to the attached anonymous letter received at Gordon Road Station on November 13 (File No. B. Anony. alleging that one Zung Vee Ts (陈维之), residing at No. 1155a, next to Si Hai Sz (洗海池) Bathhouse, Tsa Ah Pang Village (草鞋浜) off Robison Road, I have to state that independent inquiries made by C.D.C. 280 Li Hai Foeng and agent 5467, in the Western district have failed to confirm the allegation.

Zung Vee Ts (陈维之), who is alleged to be a communist, was formerly a worker in the Doong Shing Cotton Mill, Gordon Road, and until recently was employed at a certain private school in the Ying Hwa Lee (英华里), Robison Road. He is at present unemployed and living with his father-in-law, who is a rich coolie, at No. 1155A, next to Si Hai Sz Bath House, Tsa Ah Pang Village (草鞋浜), off Robison Road. It is reported that owing to his being unemployed, the father-in-law is endeavouring to get rid of him and in this connection has been instigating his daughter to divorce Zung. It is therefore surmised that the letter has in all probability been sent by one at the instance of his father-in-law. As regards Zung Vee Tsai (陈维采), brother of Zung Vee Ts (陈维之), he is known to be a loafer but not a communist.

Translation of an anonymous letter received by Gordon Road Station and transferred to Pootoo Road Station at 10 a.m. 13-11-32.

Management,

I beg to report that one named Zung Vee Ts who had often frequented the Dah Sush Li alleyway, where I have been living, and distributed Communistic pamphlets, which he had also given some to me but I burnt them when he went away. In July this year, he concerned together with one named Wong Kyung Piao working on Robison Road near the Great Clock Tower, when Wong was arrested by Pootoo Road Station and sentenced to 15 years imprisonment but he had made good his escape. In September, this year, he and other Communists held a meeting at Kung Wo Dai Theatre which place was raided by 6th Division, Police, but he had still made good his escape. Now he and his brother Vee Tsai has come to my home and tried to incite me to join their movement. As his brother Vee Tsai is staying in my home I could not come to report to you though I wish to do so. Should he not be arrested and charged, all residents in the above alleyway could not live peacefully. Therefore I write this letter to inform you. He is now residing in an upstairs room, house No. 1155 $\frac{1}{2}$ , next to Si Hai Tsah Bathhouse, in Tsa Ah Pang village, and shares food with one named Zung. He had no parents nor wife. The time between 12(?) and 7 a.m. is suitable for you to effect the arrest. There are plenty proofs as letters which could be found. If he is arrested, I can come to the Station and identify him.

Without name.
